2. On a further representation made by Sri. Venkataramana Iyer, the Combined leave for Six months granted to him was commuted into privilege leave for 3 months and Fortnight on full average Salary for the rest of the period. Further, the Comptroller to Govt was asked to allow Sri. Venkataramana Iyer to draw Rs 600/- in grade Rs 500-50/2-600 with effect from 4th Oct 1946, since the increment fell due when the officer was on privilege leave. (vide file No. CB. 887-46-4.5)

3. Now Sri. Venkataramana Iyer has represented that during the period of his leave for six months from 16.9.1946 the marginally noted officers who were juniors to him in the grade of Senior Asst Comrs have been promoted to the grade of Dy. Comrs, that two of the said officers got their promotion within a week of the commencement of his leave and has requested that he may also be given the benefit of promotion in his turn and promoted to the grade of Dy. Comr. from 22-9-1946, ie., the date on which the officer immediately below him was promoted and treated as having retired as an acting Deputy Commissioner.

4. Sri. Venkataramana Iyer has also stated that there have been a number of cases in which such promotions have been given during the period of leave preparatory to retirement and has quoted the case of Sri. M. R. Sundar Rao Sub-Judge. The file No. Courts 5-46-1 relating to the appointment of Sri. M. R. Sundara Rao as acting District and Sessions Judge has been taken by the Law Branch in another connection and therefore not readily available.

5. The request of Sri. Venkataramana Iyer is submitted for orders.

6. The request of Sri S. K. Venkataramana Iyer has arisen out of the Concessions granted to him by Govt. already, in treating his period of Re-employment as an extension of service and granting him leave after he had been retired.

7. His present request is again a matter for consideration as a special case in view of the precedent quoted by him and this will be Council matter.

9. This officer should have normally retired from service with effect from 2-5-1946. The present request to promote him as acting Deputy Commissioner during the period of his combined leave, which is the result of cumulative concessions of various kinds shown to this officer, is not financially acceptable, as it would only tend to increase his leave allowances. I think there should be some finality in all such cases, particularly when Govt. have been extremely generous as in this case.

	23. Sri Venkataramana Aiyar has requested that his representation to promote him to the cadre of Dy. Comrs. from 22.9.46 may be reconsidered. He has cited the instance of Sri H.V. Chandrasekhariah, Retd. Sub-Judge, whose promotion as Dt. Judge during the period of his leave preparatory to retirement was recently sanctioned consequent on his representation — Ex. 'D' dated 13.12.48. The circumstances in which Sri H.V. Chandrasekhariah was so promoted are noted in the Submission Note dt 25.11.48. Ex. 'C'. The analogy of Sri Chandrasekhariah's case does not seem to bear comparison with that of Sri Venkataramana Aiyar, since the vacancy in which the former was promoted arose before the date of his Superannuation, whereas the vacancy in which the latter requests to be promoted arose during

Order dated 23.4.1946 he was permitted to retire from service from the date of his superannuation. But subsequently, he was appointed whole-time Secretary to the Committee for the Improvement and Development of Malnad and was treated as a Pensioner re-entertained in service from 2.5.1946 on the pay which he was in receipt of at the time of his retirement, inclusive of pension.

Order dated 23.4.1946 he was permitted to retire from service from the date of his superannuation. But subsequently, he was appointed whole-time Secretary to the Committee for the Improvement and Development of Malnad and was treated as a Pensioner re-entertained in service from 2.5.1946 on the pay which he was in receipt of at the time of his retirement, inclusive of pension.

In Govt. Order dated 4.7.1947, Sri Venkataramana Iyer was granted leave on full average salary for 6 months, as a special case, from the date of his superannuation viz., 2.5.1946. But in Govt. Order dated 27.9.1947, the period of his service as Secretary of the Malnad Improvement Committee from 2.5.1946 to 14.9.1946 was ordered to be treated as continuation service and the leave of 6 months granted from the date of his superannuation was ordered to take effect from 15.9.1946.

On a further representation made by Sri Venkataramana Iyer, the combined leave for 6 months granted to him was commuted into Privilege leave for 5 months and Furlough on full average salary for the rest of the period and further, the Comptroller was permitted to allow him to draw Rs.600/- in grade Rs.500-50/2-600 with effect from 4.10.1946, since the increment fell due when the officer was on privilege leave.

Sri Venkataramana Iyer submitted a representation on 7.4.1948 stating that as the marginally noted officers who were juniors to him

Sri K.P. Lempanna " T. Ranganamy Janab Abdulla Hussain Sheriff " Syed Abdul Khader Sri M.A. Pallegar	) in the cadre of Senior Assistant Commissioners were promoted as Deputy Commissioners during the period of his

leave for 6 months from 15.9.1946 preparatory to retirement from service, two of whom got the promotion within a week of the commencement of his leave, he might also be given the benefit of promotion from 22.9.1946, the date on which Sri K.P. Lempanna who was immediately below him was promoted as Deputy Commissioner and that he might be

treated as having retired as an acting Deputy Commissioner. In support of his case, Sri Venkataramana Iyer cited the instance of Sri U.R. Sundara Rao, Sub Judge, who was promoted as acting District and Sessions Judge during the period of his leave preperatory to retirement.

On this representation of Sri Venkataramana Iyer, the Financial Secretary to Government noted as follows-

> "This officer should have normally retired from service with effect from 2.9.1946. The present request to promote him as acting Deputy Commissioner during the period of his combined leave, which is the result of cumulative concessions of various kinds shown to this officer, is not financially acceptable, as it would only tend to increase his leave allowances. I think there should be some finality in all such cases, particularly when Government have been extremely generous as in this case."

The Minister for Law and Labour minuted in this connection, as follows:-

> "Ordinarily I should have granted the request, particularly since the officer was an able and conscientious one. Unfortunately, however, we are passing through difficult times, financially, and every pie counts. I am, therefore, reluctantly compelled to negative the request."

This minute was concurred in by the Chief Minister and the Dewan and Sri S.N. Venkataramana Iyer was informed that his request for promotion as Deputy Commissioner from 22.9.1946 could not be complied with.

Sri Venkataramana Iyer has again submitted another representation on 27.1.1949 urging reconsideration of the matter, but also stating that if Government feel that the extra cost stands in the way of giving him the promotion, he is prepared to waive the allowance rather than forego the satisfaction of having risen to the grade of Deputy Commissioner.

On this representation, the Financial Secretary to Government has noted that as Sri Venkataramana Iyer has stated that he is prepared to forego the extra emoluments resulting from the promotion, there are no financial points for consideration.

The Minister for Finance and Industries has minuted as follows:-

"Since there are no financial implications I need say nothing and it becomes purely an administrative matter. I must, however, express my surprise at such propositions."

The Chief Minister has minuted as follows:-

"The request may be granted making it clear however, that it will not be accompanied by any financial liability whatsoever."

The matter has been ordered to be disposed of by circulation.

I regret very much that in making my submission to H.H. I did not carefully go into the submission note and did not note that it contained the statement that the majority of the ministers agree to the proposal. Since the reconstitution of the ministry there has been no case so far as my recollection goes, where a note gave the opinion of a majority of the ministry. In future where in circulation a minister expresses dissent the case should invariably go to council for consideration at a meeting unless the difference of opinion is adjusted and the objection withdrawn after by consultation among ministers. Chief Secretary will kindly note this. 14/6 16/6

It will thus be seen that two of the officers got their promotion within a week of the commencement

of my leave.

I request that as I was still in service on the above dates (though on leave) I may also be given the benefit of promotion in my turn and promoted to the grade of Deputy Commissioner from ~~Prior~~ 22-9-46. i.e. the date on which the officers immediately below me was promoted, and treated as having retired as an acting Deputy Commissioner. I need hardly state that there have been a number of cases in which such promotions have been given during the period of leave preparatory to retirement. One such case is that of Mr. M.R. Sundar Rao, Sub Judge promoted as District Judge.

I beg to add that the above concession will, while not benefiting me financially, give me the satisfaction of retiring as Deputy Commissioner after a long, faithful and recognised service of over 30 years.

The apparent delay in my making this representation is due to the fact that my leave question was finally decided only last month.

I beg to remain,

I am herewith forwarding a representation addressed to the Acting Minister asking for promotion to the grade of Dy: Sec^y before retirement. My request is based on precedents & I feel that it may not be difficult to extend the concession to an officer who has striven to serve Govt to the best of his ability.

I shall be obliged if you can kindly place the representation before the Acting Minister for his sympathetic consideration

With regards

Yours Sincerely

The Chief Secretary to Government,

Bangalore.

Dear Sir,

I am in receipt of your kind letter No.5441/C.B. dated 10-1-1949 stating that Government regret that my request for being given the benefit of promotion to the grade of Deputy Commissioners from 22-9-1946 cannot be granted. I had hoped that there would no impedient to the grant of my request which was admissible on the one hand and was supported by precedents on the other. I solicit the favour of reconsideration and in doing so, I may be permitted to offer the following remarks.

My request was for promotion in an existing vacancy in my usual turn in the order of seniority. This is purely an administrative matter. Having regard to my record of service, I had no reasons to apprehend that the Government would consider me ineligible for promotion to the grade of Deputy Commissioner. Instances are not wanting where in the parallel grade of appointments in the Judicial Departmer Subordinate Judges were promoted as District Judges during the period of leave preparatory to retirement and this principle has been consistently adhered to as is evident

from a recent order of Government in which Mr. H.V. Chandrasekarayya, Sub Judge on leave was so promoted as District Judge. Unfortunately no such case has so far arisen in the grade of Senior Assistant Commissioners with the result I could not cite a case on all ~~forms~~ fours. Janab Mohd Nazeeruddin Senior Asst Commr was, I understand, so promoted.

There is nothing in the Service Regulations also prohibiting the grade to grade promotion of an officer while on leave. They merely declare that officers so promoted cannot draw acting allowance while on long leave. In most cases the leave admissible to the Judicial Officers at the time of retirement is furlough and consequently promotions in their case did not involve payment of acting allowances due to promotion. In my case however part of the leave was privilege leave and for this short period acting allowances would be admissible under the Service Regulations. These allowances are inappreciable.

My request is thus admissible administratively as well as financially and the cost to Government is insignificant. In this connection I may be pardoned for reminding Government that on several occasions for months at a stretch I have held multiple charges drawing the salary of a single appointment, allowing the salaries of the remaining ones to lapse and that the cost involved in my present request bears no promotion to the above savings.

If the Government still feel that the small extra cost stands in the way of giving me the promotion due in the normal

course, I am prepared to waive the allowance rather than forego the satisfaction of having risen to the grade of Deputy Commissioner at the end of over 30 years of unsullied service.

Yours Truly,
